Get to Know the Classics

2010

Christians have a wonderful heritage of books written over the centuries. In 2010 PTC gives you a chance to get know some of these classic works.

On a Monday night once a month *Get to know the Classics* offers an introduction to a great piece of Christian writing and the chance to discuss the work and its implications. There is no need to be a scholar or a theology student to attend. *Get to know the classics* will offer an introduction to each work and conversation about it.

In 2009 we had a series of fascinating evenings looking at some of the Christian classics. We enjoyed it so much we decided to do it again in 2010 with a new set of books. If you enjoyed *Get to know the Classics* in 2009, make sure you have the dates in your diary for the new year. If you have not tried *Get to know the Classics* yet come along and join us.
